Officers Elected For Merchants' Association

The Organization Perfected at a Meeting Friday Night.

The Merchants' Protective association held another meeting Friday evening and perfected its organization by the election of officers and the appointment of a committee to draft bylaws.

The meeting was held at the Arizona Mercantile company's store and was attended by practically all of the merchants in town and the following officers were elected: President, J. T. Birchett; vice president, W. S. Johnston; secretary, Halbert Miller; treasurer, John Hyder. A committee consisting of A. A. Celaya, Price Wickliffe and Halbert Miller was appointed to draft a set of bylaws. Another meeting of the association will be held next Friday evening when the bylaws will probably be accepted. It is expected that within another week or so the association will be thoroughly organized and will be in a position to get down to actual business.

STRAY NORMAL NOTES.

The seniors lead in basketball and tennis. The Athenian Debating club is having weekly debates. The second years gave a program in the Olympian literary society. Friday night the juniors held a party at the dormitory and the third years, a function in the gym.

MEMBERS' REUNION.

Tempe Hive No. 8 Ladies of the Maccabees held a grand charter members' reunion and rally at Odd Fellows' hall, Tuesday afternoon. Besides the members of the following societies were present and enjoyed the occasion: Mesdames Joe Miller, Chase, Frank Saylor, Carter, Frank Windes, Weir, Matthews, Brown, Braun, and Misses Brown and Finch. A banquet closed the festivities which will long be remembered as one of the events of Tempe Hive.

BACK TO STAY.

F. R. Marsh, a former rancher in the Tempe district and for several years in business here, returned yesterday morning after an absence of two years or so. He has spent most of that time in San Francisco but has reached the wise conclusion that Tempe is the better place. He is accordingly back here to stay. Mrs. Marsh and the baby accompanied him as far as Los Angeles and will remain there a short time visiting Mrs. Marsh's sister. They will come on to Tempe in a few weeks.

A HARD TRIP.

James Teeter, Louis Krueger, William Strong and A. E. Kersting made a trip to Buckeye Friday in the Teeter auto. They found the roads even worse than they were a few weeks ago and the trip was a rather strenuous one. The party left here early in the morning and did not return until ten-thirty that evening.

LOST CATTLE.

While bringing in a bunch of range cattle the early part of the week, Stewart Bros. lost two head in a peculiar manner. The bunch was frightened by the motor car on the railroad and two of them were crowded off a culvert. One suffered a broken neck and the other a broken back and had to be killed.

VISITING HERE.

Mrs. J. P. Shaffer and little son of San Francisco, Cal., are here visiting relatives. Mrs. Shaffer will be remembered by Tempe people as Miss Evelyn McNulty.

DOWN FROM RANGE.

L. L. Harmon came down yesterday from his range at Camp Wood.

WILL LECTURE HERE.

Arrangements have been completed for the appearance of Henry R. Pattengill at the high school auditorium on November 7th. Mr. Pattengill will be pleasantly remembered as the gentleman who spoke so entertainingly at the board of trade banquet last winter.

DEATH OF MRS. MOEUR.

Mrs. Esther K. Moeur died last evening at the home of her daughter, Mrs. L. E. Pafford of Tempe. She was 73 years old and had been ill for many weeks. For some time past hope of her recovery had been abandoned as it was evident she was giving way to that general debility which undermines the strength of the aged. Mrs. Moeur is survived in Tempe by three children, Mrs. Pafford, Dr. B. B. Moeur and W. A. Moeur. She has lived here for a number of years past, was well and familiarly known as Grandmother Moeur, and universally respected. The funeral will be held this afternoon at 3 o'clock at the Pafford home.

RAILROADS TO INSURE BAGGAGE.

Plans to Reduce Woes of Travelers Who Lose Trunks Are Being Figured Out.

Woes of that part of the traveling public which occasionally loses its baggage soon will be decreased, for the railroads are planning to put into effect a system of insuring baggage valued at not more than \$100 free of charge and for a small fee if worth more than \$100.

This is one of the features of a set of rules prepared here recently with a view toward uniform baggage regulations. The joint committee which worked out the rules will present them to all passenger associations for adoption.

In order to take advantage of the proposed insurance the passenger will be required to declare the value of his baggage before starting on his journey. In the event of value above \$100 the passenger will be required to pay approximately 16 per cent of the excess baggage rate.

The excess baggage rates are based on the passenger rates, being a certain percentage of the amount a passenger has to pay for his own transportation.

In percentage the new rule will figure out about 1.6 per cent of passenger rates for every \$100 of value declared. The amount of excess money over the regular passenger rate that it will cost to travel should the new rules be adopted, will depend, of course, upon the value of the passenger's baggage. Should the passenger carry, for example, \$1,000 worth of baggage an additional charge of 16 per cent of the passenger rate will be charged.—Chicago Record-Herald.
